Kynance Cove. A cliff-bound bay on the south Cornish coast between Rill Head and Tor Balk (or "Tar Box"). A noticeable feature of the bay—one of the most picturesque in Cornwall—is the number of small rocky islets which even at high tide show their heads above water, notably the Gull Rock and Asparagus Island. The cliffs abound in caves, among which are the "Parlour" and the "Drawing Room" in the cliffs facing Asparagus Island.

We are both keeping well & trust you & Mary are also. Kindly give my kind love to her. I should be glad to see her again. We are pretty quiet just now. No more with kind love I am.

I send Crochet border. Insert & look at the corner where I joined it as it is not quite so well done as the rest of the 4 for insertion. Be careful how you put it right side out. I hope you will soon learn of some one. Connaught. It is raining this evening. I hope it will not. Cold. Where for are you? Will write from Canada.

Love

Ethel
